

There's something inside for everyone — take a moment to explore what's new at LPCCU!

Coming Soon - New Login Security Feature

To better protect your information, we've added an extra layer of security to Online & Mobile Banking.

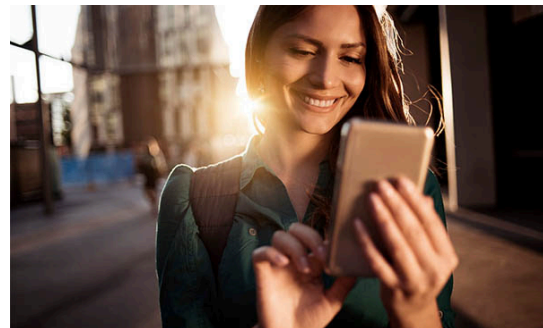

When you log in, **you'll receive a 6-digit code by text or voice call**. Enter the code to complete your login. This replaces security questions and strengthens account protection.

Action Required: Please make sure your current phone number is on file. Update it in Online Banking or call us at 313-389-2300.

You won't be able to access Online Banking without a valid phone number.

Keeping your contact information up to date helps us serve you better and protect your account.

Please take a moment to review:

- Your phone number
- Email address
- Mailing address

Having the right info on file means:

- You won't miss important account updates
- We can reach you quickly if there's suspicious activity
- You'll continue receiving helpful tips, rewards, and offers

Need to update your info?

Log in to online banking, give us a call at **313-389-2300**, or stop by the branch — we're happy to help!

Get Your Tax Refund Faster with Direct Deposit

Expecting a tax refund this year? The IRS recommends filing electronically and using Direct Deposit to receive your refund faster and more securely.

With Direct Deposit, your refund goes straight into your LPCCU checking or savings account—no paper checks, no unnecessary delays.

What you'll need when filing:

- LPCCU routing & transit number: **2724-82375**
- Your **5-digit account number**
- Choose **checking or savings**

Important reminder:

The refund must be deposited into an account with your name on it. Deposits sent to an account you don't own may be rejected and delay your refund.

Need help finding your routing or account number? You can locate it in online banking, on your checks, or by calling us at **313-389-2300**.
